

Anja Pinborg

Anja Pinborg is an MD, a specialist in obstetrics and gynecology, and an expert in clinical reproductive medicine. She was appointed professor at the University of Copenhagen in 2013. Since 2018, she has served as a professor and the medical director at the Fertility Clinic at Rigshospitalet, Copenhagen University Hospital. She has published more than 300 original papers and authored nine book chapters. She is a former member of the ESHRE EXCO (2017-2021) and the International Committee of Medical Journal Editors (2015-2021), and she served as president of the Nordic Fertility Society (2011-2015). She is the deputy editor of *Human Reproduction Open* and a former associate editor of *Human Reproduction Update* and *RBMOnline*. Her main research focuses on the quality and safety of ART, including maternal and child health.
